This Lions’ year is winding down at a rapid pace and there is much left before us. Today MyLCI shows us at 1248 in Membership. Not bad! We can use 1 or 2 more clubs. There is still time to make that happen. We are close to 54% in Brighter Visions funds with little more than 3 months left. And there’s the rub. I think it is fair to say we have come to a decision point. The future of Camp Dogwood and all the programs that are part of the Brighter Visions campaign are hanging in the balance. WE must decide whether to let them just fade away, or to put our shoulders to the wheel along with our feet, our backs, and each other to push this rock up the hill and over it. And, if WE are willing, it can be done. My fellow Lions, it must be done if we are going to continue serving those who need us in our District and our State. For me, it’s a pretty simple choice. I ask each of you to remember the last two words you spoke in your oath of membership when you joined Lions — “I will” — and recommit yourselves to that pledge saying “I will, so that WE can!”

I believe we are all about ready for Spring, if it ever gets here, and this time of year also brings us to the ‘REEELLY BIG SHEW’ event of the Lions’ year, also known as the MD31 Lions State Convention. We will be congregating at the Greensboro Airport Marriott on April 27-29. Our International Family Member will be Immediate Past International President Bob Corlew from the great state of Tennessee who is also currently serving as LCIF Chairman. A lot of really great things have been planned by our Convention Crew led by our Host Committee Co-Chairs Lions Barbara Thompson and PDG Terrie Grooms who were also a part of our fabulous Mid Winter Convention Crew. What an outstanding job by all involved! Those of you who are planning to attend should get your convention registration form (included) submitted ASAP as well as your hotel reservations directly with the Marriott by April 2nd to receive your Lions’ discount. Scheduled events include the Lions’ DAPS walk, district cabinet meetings, a ‘town hall’ session with PIP Bob, the ‘Service of Remembrance’, presentation of the NC Hall of Fame Honorees, and several other Lions’ activities. The weekend should be fun and exciting for all who attend. Be there or be square.
I believe we are all about ready for spring, if it ever gets here. With Spring comes Easter and we once again have great cause for celebration. We will gather to celebrate the rebirth of our faith, our creed, our lives, and our humanity. As Lions, we will recommit ourselves to the Motto that was given to us by Founder Melvin Jones a hundred years ago – WE SERVE! – as we reach out to those who need our help. We will remember Past International President Sid Scruggs’ definition of Lions as “Loving Individuals Offering Needed Services”. Finally, we will remember the greatest Human Being of all time and the words He spoke that changed the world in a manner never before seen in His time nor since then. He gave us our charge to service when, during His long and arduous journey through the towns and the countryside after His epic sermon, teaching and healing so many, He said to His Disciples, “The harvest is plentiful, and the laborers are few”. That Human Being is Jesus Christ.

There can be no higher calling for Lions to do what we do around the world. Off we go...

We are the few, the humble, we are the Lions.

WE SERVE!!

O YEAH!

District Governor Karl Ernst

“The Harvest is Plentiful”
President's Message

Dear District Governor,

Lions Clubs International Foundation (LCIF) has played an incredible role in funding the life-changing service of Lions around the world. It converts generous donations into service at the best exchange rate in the world. We are celebrating our foundation’s 50th anniversary this year, but this incredible milestone is only the beginning.

LCIF will be launching a US$300 million capital campaign at our International Convention in Las Vegas. This campaign will allow LCIF to increase support of its expanding focus areas, including our new global causes. Even though the campaign doesn’t kick off until June, I need you to help lay the foundation for success now. Here’s how you can help:

**Talk about LCIF on club visits.** Let clubs know that donating is another way to serve. Every dollar given to LCIF supports the service of Lions.

**Encourage members to give to LCIF.** The average Lion gives US$0.53 to LCIF per week. If we can raise that to even US$1 a week, we can double our impact.

**Make a contribution to LCIF.** We lead by example. Put your kindness into action and personally give a small amount to LCIF, then let Lions know that you gave. Currently, less than 6% of Lions contribute. Can we significantly increase this number together?

We have an opportunity to give this incredible capital campaign a running start, and I believe success starts with leaders like you. So help our Lions understand just how vital LCIF is to our service and to the Power of We. Together, we can increase the impact of the foundation today, and for years to come.

Sincerely,

**Dr. Naresh Aggarwal**

Your International President

*To follow my travels around the world and see our global service in action, follow me on Facebook.*
**President's Message Continued...**

---

**Budgets for your GAT Coordinators**

Make sure your Global Action Team (GAT) coordinators have the support they need to take Lions to the next level in your district. Encourage your GLT, GMT and GST coordinators to take advantage of their US$250 operating budget. All they need to do is submit a development plan and complete two of the required online training courses in the Lions Learning Center. The money can be used to cover expenses such as travel, training and webinar services.

You’re a DG and a Global Action Team Chairperson, so put the Power of Action to work in your district.

**March Updates**

- Read my [March message to club leaders](#) in which I encourage clubs to celebrate LCIF’s 50th anniversary and give to our foundation.
- Continue to talk about the [Global Action Team](#) on your club visits so Lions understand how this global network can support their clubs.
- Encourage your clubs to put their kindness in action and [give to LCIF](#).
- [Download MyLion](#) if it’s available in your area, and join me in promoting this revolutionary app to your Lions and clubs.
- Encourage Lions attending our International Convention in Las Vegas to [register for a convention service project](#).
Greetings and News From DGE Susie Dailey

Happy Spring! After a crazy winter, SPRING has arrived and with spring comes fresh ideas and renewed enthusiasm.

I am excited to see all the service projects that you are bringing to fruition and how you are spreading Lionism throughout our District.

YOUR 2018-2019 District Governor Team Elect has been busy working, too. 1st VDGE Paul Silverman, 2nd VDG Elect Paul Marth, and I have met on several occasions and exchanged ideas for the upcoming year. The new District Directory is in the works, a new District Marketing position is being created and training and education meetings are scheduled. We have asked Lions in 31-0 to become Certified Guiding Lions and many are answering our call.

With the theme of “Changing Lives with Kindness”, we have a District wide (and perhaps state-wide), Fighting Hunger event, scheduled for September 8. You will hear more about this soon, but please mark your calendars and ask your clubs to schedule an event that Saturday. It could be collecting food for a local food pantry, making a meal for a shelter, helping with backpacks, holding a Cereal Saturday…..anything that will help with the hunger problems in our communities and bring attention to what our Lions are doing to help. Watch for details!

I hope to see many of you at the upcoming NC Lions State Convention at the Greensboro High Point Marriott Airport the last weekend in April. Our own PDG Terrie Grooms and Lion Barbara Thompson have done a remarkable job in making this happen!

Once, again, thank you for your continued support of Brighter Visions! DG Karl has been a true advocate and is dedication to this cause is apparent and relentless, which is just what we need!!  Thank you, DG Karl!

Enjoy this warmer weather as we look forward to working together!!

You are the best!! Thank you for being LIONS!

Waxhaw Lions Club

Uncovering a Bit of North Carolina Lions History

Recently, while sorting through the club’s paraphernalia left in the ancient camping trailer that had long served as the headquarters of tall tales, strong coffee and Waxhaw Lions Club Christmas Tree sales, the club’s lone surviving Charter member Johnny Byrum came upon a treasure that evoked many heartwarming memories for him. The article was a handmade American Flag. It was knitted by Mrs. Mabel Conder.

So who was Mabel Conder and what did she have to do with North Carolina Lions?

Born in Cleveland County, Mabel grew up during the depression, one of nine children who helped the family grow cotton, corn and other vegetables to make ends meet. Having vision difficulties in early childhood, Mabel was diagnosed with retinitis pigmentosa and became totally blind in her late teens. After completing school she later married and had two children. Her husband was also visually impaired.

Although she had learned to cane chair bottoms and to sew clothing as a livelihood, and a mother of two, Mabel made time to be an advocate for the visually impaired. Because of her reputation as a well-known activist for the visually impaired in 1968 she was appointed to the advisory panel instrumental in planning and developing Camp Dogwood. For many years Mabel attended the Camp each summer and she organized several weekend get-togethers annually for her special group of visually impaired friends at the camp. Other accomplishments include helping establish the North Carolina Chapter of National Federation of the Blind and serving on the Metrolina Association for the Blind Board of Directors.

Through her son Rick, Mabel had a lengthy association with the Waxhaw Lions Club. After becoming a Lion, Rick’s passion was the U.S. Blind Golfers Association. For several years, during its heyday, thanks in large part to Rick, the club promoted and supported the Association’s tournaments of the region. In June 2005 because of Rick’s involvement and the Waxhaw Lions support of many activities for the visually impaired Ms. Mabel knitted this special flag and presented it to the Waxhaw Lions Club. The club plans to reframe the flag and use it for its meetings.
WAXHAW LIONS - SUPPORTING OUR COMMUNITY

Lions Family and Friends Month in April!

Invite family and friends to learn, serve and celebrate with your Lions club in April. Organize a service project, plan an open house or host a lunch or picnic—you decide how to introduce your family and friends to the club you love!

Here are some great ways to make your Family and Friends Month a success:

- **Plan an Open House.** Invite family and friends to learn more about your club and the difference you are making in the community.

- **Go Green in Your Community.** Plan an April service project to showcase the Protecting Our Environment campaign so everyone can feel the satisfaction of improving the community. Consider planting trees, recycling or cleaning up a park for your campaign.

- **Share the Gift of Literacy.** Organize a fundraiser or service project that promotes the power of reading to children in your community. Learn more about the LCI [Reading Action Program](#) and find literacy project ideas and resources for your club.

- **Sponsor a Leo club.** April is also Leo Awareness Month, so it’s a great time for your club to get involved and support youth development in your community. Learn more about the Leo Club Program in the [Leo Zone](#).

- **Host a Picnic or Barbecue.** Celebrate with family and friends after your successful service project or fundraiser.

**Family Members Receive a Special Membership Discount**

Encourage family members to join your club! They’ll receive a special discount on membership dues when they join the same club through our [Family Membership Program](#).

Share the day, share the fun and share the dream of serving with family and friends in April!
Through the Leo Club Program, young people serve as positive agents of change within their communities. These young leaders develop valuable leadership skills, make new friends and have fun.

**Leo Club Objective**

To provide the youth of the world with an opportunity for development and contribution, individually and collectively, as responsible members of the local, national and international community.

**Leo Club Motto**

- **L**eadership – Develop skills as a project organizer, time manager and team leader.
- **E**xperience – Learn how teamwork, cooperation and collaboration can bring exciting changes to your community and the world.
- **O**pportunity – Make friends and feel the rewards of community service.

**Leo Club History**

Coach Jim Graver started the Leo ball rolling in 1957 and chances are that ball was a baseball. Graver was the baseball coach of the Abington High School in Pennsylvania, USA and an active member of the Glenside Lions Club. With help from his fellow Lion, William Ernst, the first Leo club was charted on December 5, 1957.

As the world’s first Leo club, the Abington High School Leo Club created the Leo acronym – Leadership, Equality, Opportunity – and chose their school colors, maroon and gold to serve as the Leo club colors. Later, Equality was changed to Experience.

In October 1967, the board of directors of Lions Clubs International adopted the Leo Club Program as an official program of the association.

The Leo Club Program has continued to grow within the last 50 years. Leos now constitute an international network of over 6,500 clubs in over 140 countries. Community service remains the cornerstone of the program, fostering a lifetime commitment to helping others. Like their Lion counterparts, Leo club members enjoy serving their neighbors and watching positive results unfold.

So Proud of Our Own!
In April Lions are meeting the Challenge of **Protecting our Environment**. We are working to protect and improve the environment in order to make our community a healthier place to live for everyone.

Here are some ideas as to how we can meet this challenge...

*(Please share how you choose to Protect Our Environment.)*

---

**ACT // BEGINNER**
- Plant trees. Consult your local environment authorities to determine the type and number of trees needed, as well as the location for planting.
- Meet on a monthly basis and clean up a broom, community space, or roadside area as a club.
- Hold an environment themed photo contest at a local school. Reward the winner with a tree planted in their honor or another green form of recognition.
- Challenge all Lions in your club or district to add at least one green habit to their daily lives. Inspire others by sharing your actions on social media. Habits might include:
  - Using a reusable water bottle or coffee mug rather than disposable products.
  - Changing to energy-saving lightbulbs.
  - Setting a time limit for your shower to reduce water consumption.
- Develop a Green Living Tip Sheet and share it electronically with members of your community or network.
- Recognize a local organization or community leader for their efforts in environmental conservation.
- Calculate your carbon footprint with an online calculator. If your footprint is bigger than you would like, purchase carbon credits that are Gold Standard Certified and brainstorm ways you can lower your carbon input.
- Volunteer with your local park service to maintain trails. You will help more people access and enjoy nature!
- Commit to “Meatless Mondays”, or not eating meat one day each week.
- Collect used cellphones and donate them to individuals in need.

**ACT // INTERMEDIATE**
- Load an after school nature walk for young students. Encourage them to make observations and ask questions, then have them draw a picture of their experience afterwards.
- Host a community viewing of an environmental film or documentary.
- Save water by surveying your homes and community for leaks in sinks, communal spigots or water fountains. Contact relevant officials if repairs are needed.
- Work with city officials to paint “no dumping” signs near road drainage areas.
- Identify where to recycle toxic items and share advertise its schedule of collection campaigns.
- Organize an environmental mural competition. Paint the winner’s artwork in an appropriate area to beautify your community and promote environmental awareness.
- Implement a community recycling drive where people donate gently used items to charity organizations.
- Share a meal with students at your school. Afterwards, teach them how to sort their recyclables and trash.

**ACT // ADVANCED**
- Develop a demonstration garden or landscaping plot using native plant species to encourage restoration of the local natural habitat and water conservation.
- Sponsor a training program for small farmers on how to make and use organic fertilizers and pesticides.
- Produce a monthly nature program on local public radio stations. Feature environmental topics of local interest, interview environmental activists in your community and promote Lions environmental projects.
- Host a public debate on controversial environmental issues in your community. Share the results with government officials.
- Partner with a local carpenter (or use a DIY tutorial to build a rain barrel. Then, hold a training with community members to promote using barrels for watering and irrigation.
- Organize an alternative transportation incentive program in your community to encourage walking, biking, public transportation and carpooling.
- Work with local schools to establish organic school gardens and a composting program to improve the quality of school meals and reduce waste.
Greetings Fellow Lions,

The annual Volunteer Week will be here before we know it! This year, the Volunteer Week is scheduled for Sunday, April 8th to Thursday, April 11, 2018. We anticipate assisting with projects such as painting, pouring concrete, landscaping, power washing, sorting glasses, general cleaning and repairs, and so much more.

Guest room check in will begin Sunday (April 8th) afternoon at 4:00 PM. Due to the number of activities being held at Camp Dogwood the weekend prior, early check-in will not be available (with the exception for Lions who are power washing and need to arrive on Saturday, April 7, 2018). Please check in at the Camp Office when you arrive. Our first meal will be dinner at 6:00 PM on Sunday in the Camp Dining Hall. We will have a brief assignment meeting following dinner to discuss the projects and divide into volunteer teams.

The reservation form is in the link below and you can make as many copies as needed. Each Lion should complete the form and return it to Camp Assistant, Keisha Ramseur by Friday, March 23, 2018 to make their reservation (Keisha@NCLionsInc.org or by mail to 7050 Camp Dogwood Drive, Sherrills Ford, NC 28673). Even if you’re not staying overnight, we still need the completed form with name, club, district, as well as which meals you will be eating so that we can properly prepare. Please contact your District Volunteer Chairperson if you have any questions. There is a limited supply of tools at Camp, so we encourage volunteers to bring tools with them.

DOWNLOAD THE REGISTRATION FORM TODAY

Thank you and looking forward to seeing you at Camp.

Marti Henry
State Volunteer Chair

P.S. Camp Dogwood is looking for volunteers for summer. Volunteering for a week at camp is a rewarding experience. You can make a difference in the lives of the blind and visually impaired across the state. There is no charge for this wonderful opportunity to serve and have fun at the same time. If you are interested in volunteering during camp, please contact Camp Assistant, Keisha Ramseur at 828-478-2135 ext. 230 or at keisha@nclionsinc.org. Visit the camp website at www.nclionscampdogwood.org for a volunteer application, or contact the Camp Office to have them sent to you.

THE NORTH CAROLINA LIONS STATE CONVENTION COMES BACK TO GREENSBORO!!

District 31-O is proud and excited to be hosting the 2018 North Carolina Lions State Convention at the Greensboro High Point Marriott Airport on April 26-28, 2018! Our special guest for the weekend will be Past International President Lion Bob Corlew and his wife Lion Diane from Tennessee.

Your valued help with this huge undertaking by volunteering for the many committees will create a weekend to remember for the Lions across North Carolina. Lion Barbara Thompson from the Pleasant Garden Lions Club and PDG Lion Terrie Grooms from the McLeansville Lions Club are heading up this huge endeavor. Please send email to pdgtg31o@gmail.com to be contacted about volunteering or for further information.
Hello from your 2018 NC Lions State Convention Co-Chairs!

_Imagine_……..you’re a kid with juvenile diabetes and your blood sugar drops in your classroom or on the bus……..but you forgot to pack your snack! _Now_…….._Imagine_ that the local Lions Club has provided a small snack pack for the teachers and bus drivers to give these kids!

_And_……. _Imagine_ that you’re a kid in the hospital with pediatric cancer and it’s your BIRTHDAY! _Now_…….. _Imagine_ that the nurses can bring a “Birthday Box”, provided by the Local Lions club, to this kid filled with all sorts of birthday items…….Hats, blowers, card form the club, banner and Birthday badge!

Since these are 2 of our 5 core focuses we will plan to have a “Hands on Project” for each club to stop by over the weekend and make a sample diabetes snack pack and a Birthday box for these kids.

Here’s where we need your help……..I’ve listed some items below that we plan to put in the snack pack and the birthday box – if you or your club can provide $10 worth of any of the items it would be appreciated – you may send these to Barbara Thompson at the address below or bring to the convention:

Barbara Thompson, 5409 Woodleaf Drive, Greensboro NC 27406

OR if you would just like to make a $10 donation you may send directly to our Registration Chair, PDG Laraine Dupree at the address below:

Laraine Dupree, PO Box 485, Wingate, NC 28174

Thank you and give us a call if we can answer any questions!

“The longer I live, the more I realize the impact of attitude on life. Attitude, to me, is more important than the past, than education, than money, than circumstances, than failures, than successes, than what other people think or say or do. It is more important than appearance, giftedness, or skill. It will make or break a company...a church...a school...a home.

The remarkable thing is we have a choice every day regarding the attitude we will embrace for that day. We cannot change our past...we cannot change the fact that people will act in a certain way. We cannot change the inevitable. The only thing we can do is play on the one string we have, and that is our attitude. I am convinced that life is 10% what happens to me and 90% how I react to it. And so it is with you...we are in charge of our ATTITUDES.”

CHARLES SWINDOLL

Our Attitudes affect our outcomes.
If we want to be successful we must have the Right Attitude.
What is Our Attitude? What is Our Club’s Attitude?
Do we have the Right Attitude for Success?
